ORDER:

In the reference 1st read above, the Ministry of Consumer Affairs , Food and Public Distribution, Department of Consumer Affairs(Price monitoring Division) has issued Standing Operating Procedure (SOP) for procurement of pulses (Tur and Masur) at Market price from pre registered farmers under Price Stabilization Fund(PSF) for reference and compliance.

2. In the reference 2nd read above, NAFED has highlighted their proposal for procurement of Redgram under minimum Assured Procurement Price (MAPP) OR Dynamic Buffer Procurement Price (DBPP).

3. In the reference 3rd read above, the Managing Director, A.P. MARKFED, Vijayawada has requested the State Government to nominate the A.P. MARKFED as Nodal Agency for procurement of Redgram under Price Stabilisation Fund and Permit the procurement of Redgram at MAPP/DBPP on par with MSP operations through CMAPP by the DLCPS headed by the Joint Collectors at the district level, adhering to the procurement price determined by the NAFED from time to time.

4. The Government after careful examination of the proposal hereby nominate the A.P MarkFed as the Nodal Agency behalf of the NAFED for procurement of Redgram under Price Stabilisation Fund of Government of India and Permit the procurement of Redgram at MAPP/DBPP on par with MSP operations through CMAPP by the District Level Procurement Committees headed by the Joint Collectors at the district level, adhering to the procurement price determined by the NAFED from time to time with the following modalities specified, and further advised to meet the losses if any from Price Stabilisation Fund of Government of India:

1. Commencement of farmer registration through CMAPP, intending to promote direct procurement of Redgram stocks from farmers at prevailing market rates. This step aims not only to benefit farmers but also to regulate Redgram Dall prices for consumers' advantage.

2. An earmarked minimum quantity of 50,000 MTs for procurement, highlighting the assurance of timely advance funds from NAFED to APMARKFED, ensuring prompt payment to farmers without delays.

3. The procurement mechanism, Emphasizing the calculation of Minimum Assured Procurement Price (MAPP) and Dynamic Buffer Procurement Price (DBPP) based on Market rates.

(P.T.O)

4. If the market price of Tur at mandis around procurement centre is more than the MSP during the KMS 2023 – 24 procurement for the buffer directly from eligible farmers at market price shall be done at district-wise Minimum Assured Procurement Price (MAPP) or Dynamic Buffer Procurement Price (DBPP), whichever is higher. MAPP is the weighted average of maximum and modal prices across all mandis in the district three days prior to the procurement date, while DBPP is the weighted average of maximum and modal prices across all mandis in the district three days prior and three days after the procurement date (including the procurement date). The available mandi price in AGMARKNET portal shall be considered for the calculation of these prices, as per the formulae for determining the MAPP and DBPP in the Standard Operating Procedure (SOP) for Redgram Procurement/ as fixed by the NAFED.

5. The procurement period will be as defined by the NAFED.

5. The Managing Director, A.P. MARKFED, Andhra Pradesh, Vijayawada shall take further necessary action in the matter accordingly.
